The 2010 George K. Bukovsky Award

Recognizing Outstanding Contributions to the Reprographics Industry

ABOUT THE AWARD

The Bukovsky Award honors the memory of George K. Bukovsky, who worked in the reprographics industry for more than 30 years. During his career, he served as a champion for the IRgA and actively promoted the industry. More importantly, he served as a friend and advisor to countless IRgA members. His enthusiasm and spirit were an inspiration to all those with whom he worked. George Bukovsky passed away in 1990, at which time the Bukovsky Award was established to honor his great contributions by awarding others who have similarly made a lasting impact on the reprographics industry.
