

HD ULTRA >< 6000

Limited time exclusive APDSP offer

- The HD 6050 with stand, software + upgrade, + Scan Station + free shipping **\$ 528 a month**
- The HD 6090 with stand, software + upgrade, + Scan Station + free shipping **\$ 628 a month**

Lease the newest, most intelligent, fastest, and widest large format color scanner from *anybody* – the new Contex HD 6000. Up until September 1, we can offer this newest scanner – and **include \$ 3,650** worth of must have upgrades at no charge. This is a free upgrade from a base model to ScanStation. This configuration is *ideally* suited to the Reprographics Industry. The two scanners 6050 & 6090 are identical except for the color scanning speed. To be specific until the first unit ships (8/31), a user will get either the 6050 or the 6090 plus:

- Free stand + \$ 995
- Free Wise Image Repro (the good stuff) + \$ 1,295
- Free Scan Station and touch screen monitor + \$ 895
- Free drop shipping + \$ 450

Almost
6x faster in color.
Perfectly
configured for the
commercial
reprographics
industry.

An existing HD 5450 54" scanner vs. the new HD 60x0
