Dear Partner,

Image Access would again like to cordially invite you to attend our North, South and Latin American Partner Conference in fabulous Las Vegas. We have scheduled the conference to run in conjunction with the 2018 SGIA Expo, since many of you may also be attending that event. We will be happy to provide you with passes to the SGIA Expo in case you do not already have an entry ticket. We hope you will stop by our both 3914 during the show, if you attend.

Two years ago, Image Access held its first North American Partner Conference. Those of you who attended that first conference know how valuable it was to come together and gain from each others' experience. We feel certain that they would tell you that it is an event you don't want to miss. This year, we will have partners from as far north as Alaska and down to Argentina in the south.

Our Partner Conference will give you a view of our strategies and plans for the upcoming years and provide you with the information you need to beat the competition. A major benefit of attending a Partner Conference is to finally meet people face to face with whom you communicate via mail or phone, and also to make new acquaintances.

We hope that you will engage in active discussions and get to know not only the Image Access staff who will be present but also your counterparts from North and South America. Together, we can outline solutions and ideas for increasing your sales and profits.

Naturally, you will also have the opportunity to get some insider expertise on our products, which will be available in a separate exhibition area.

We are very much looking forward to seeing you at the conference.

Thomas Ingendoh
CEO

Stephen Andrikut
North American Sales Director

Manuel Paradis
Latin America Sales Director

Venue:

[Tropicana Hotel](#)
