Annual agreement between Image Access LP and APDSP

January, 2021

Dear APDSP,

Thank you for the opportunity to continue the strong business relationship between Image Access LP and APDSP. We are pleased to be able to present a new and aggressive pricing structure for the entire APDSP members. This will include the following:

1. Image Access WideTEK and Image Access Bookeye scanners will have fixed pricing, to include the retail offerings and the APDSP discounts commencing this date of January 26th, 2021 and ending January 30th, 2022.
2. Image Access WideTEK series and models will maintain the standard 40% discount rate, throughout the term of this agreement.
3. Image Access Bookeye 4 & 5 series and models will maintain the introductory 38% discount rate as appointed by our CEO, Thomas Ingendoh.
4. Image Access will not require any minimum orders on parts, accessories, or consumables.
5. Standard Freight and shipping costs will be charged according to the price sheet listed or required by the individual APDSP member.
6. Lift gate and inside delivery can be made available at an additional charge.
7. Product descriptions are available in PDF format along with our Product Catalogue. Individual product specification sheets are also available on our website imageaccess.us.
8. Image Access does not offer any rebate programs currently.
9. Image Access will continue to support and participate in any and all APDSP Conferences on an annual basis.

Again, thank you for the opportunity to work with you and your members to provide the best products and the best service possible from Image Access.
